## Hamas Covenant 1988

### The Covenant of the Islamic Resistance Movement

18 August 1988

In The Name Of The Most Merciful Allah

"Ye are the best nation that hath been raised up unto mankind: ye command that which is just, and ye forbid that which is unjust, and ye believe in Allah. And if they who have received the scriptures had believed, it had surely been the better for them: there are believers among them, but the greater part of them are transgressors. They shall not hurt you, unless with a slight hurt; and if they fight against you, they shall turn their backs to you, and they shall not be helped. They are smitten with vileness wheresoever they are found; unless they obtain security by entering into a treaty with Allah, and a treaty with men; and they draw on themselves indignation from Allah, and they are afflicted with poverty. This they suffer, because they disbelieved the signs of Allah, and slew the prophets unjustly; this, because they were rebellious, and transgressed." (Al-Imran - verses 109-111).

Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it" (The Martyr, Imam Hassan al-Banna, of blessed memory).

## Article Seventeen:

The Moslem woman has a role no less important than that of the moslem man in the battle of liberation. She is the maker of men. Her role in guiding and educating the new generations is great. The enemies have realised the importance of her role. They consider that if they are able to direct and bring her up they way they wish, far from Islam, they would have won the battle. That is why you find them giving these attempts constant attention through information campaigns, films, and the school curriculum, using for that purpose their lackeys who are infiltrated through Zionist organizations under various names and shapes, such as Freemasons, Rotary Clubs, espionage groups and others, which are all nothing more than cells of subversion and saboteurs. These organizations have ample resources that enable them to play their role in societies for the purpose of achieving the Zionist targets and to deepen the concepts that would serve the enemy. These organizations operate in the absence of Islam and its estrangement among its people. The Islamic peoples should perform their role in confronting the conspiracies of these saboteurs. The day Islam is in control of guiding the affairs of life, these organizations, hostile to humanity and Islam, will be obliterated.

## Article Eighteen:

Woman in the home of the fighting family, whether she is a mother or a sister, plays the most important role in looking after the family, rearing the children and imbuing them with moral values and thoughts derived from Islam. She has to teach them to perform the religious duties in preparation for the role of fighting awaiting them. That is why it is necessary to pay great attention to schools and the curriculum followed in educating Moslem girls, so that they would grow up to be good mothers, aware of their role in the battle of liberation.

She has to be of sufficient knowledge and understanding where the performance of housekeeping matters are concerned, because economy and avoidance of waste of the family budget, is one of the requirements for the ability to continue moving forward in the difficult conditions surrounding us. She should put before her eyes the fact that the money available to her is just like blood which should never flow except through the veins so that both children and grown-ups could continue to live.

"Verily, the Moslems of either sex, and the true believers of either sex, and the devout men, and the devout women, and the men of veracity, and the women of veracity, and the patient men, and the patient women, and the humble men, and the humble women, and the alms-givers of either sex who remember Allah frequently; for them hath Allah prepared forgiveness and a great reward." (The Confederates - verse 25).

## The Role of Islamic Art in the Battle of Liberation:

## Article Twenty-Two:

For a long time, the enemies have been planning, skillfully and with precision, for the achievement of what they have attained. They took into consideration the causes affecting the current of events. They strived to amass great and substantive material wealth which they devoted to the realisation of their dream. With their money, they took control of the world media, news agencies, the press, publishing houses, broadcasting stations, and others. With their money they stirred revolutions in various parts of the world with the purpose of achieving their interests and reaping the fruit therein. They were behind the French Revolution, the Communist revolution and most of the revolutions we heard and hear about, here and there. With their money they formed secret societies, such as Freemasons, Rotary Clubs, the Lions and others in different parts of the world for the purpose of sabotaging societies and achieving Zionist interests. With their money they were able to control imperialistic countries and instigate them to colonize many countries in order to enable them to exploit their resources and spread corruption there.

You may speak as much as you want about regional and world wars. They were behind World War I, when they were able to destroy the Islamic Caliphate, making financial gains and controlling resources. They obtained the Balfour Declaration, formed the League of Nations through which they could rule the world. They were behind World War II, through which they made huge financial gains by trading in armaments, and paved the way for the establishment of their state. It was they who instigated the replacement of the League of Nations with the United Nations and the Security Council to enable them to rule the world through them. There is no war going on anywhere, without having their finger in it.

"So often as they shall kindle a fire for war, Allah shall extinguish it; and they shall set their minds to act corruptly in the earth, but Allah loveth not the corrupt doers." (The Table - verse 64).

The imperialistic forces in the Capitalist West and Communist East, support the enemy with all their might, in money and in men. These forces take turns in doing that. The day Islam appears, the forces of infidelity would unite to challenge it, for the infidels are of one nation.

"O true believers, contract not an intimate friendship with any besides yourselves: they will not fail to corrupt you. They wish for that which may cause you to perish: their hatred hath already appeared from out of their mouths; but what their breasts conceal is yet more inveterate. We have already shown you signs of their ill will towards you, if ye understand." (The Family of Imran - verse 118).

It is not in vain that the verse is ended with Allah's words "if ye understand."

## Article Twenty-Eight:

The Zionist invasion is a vicious invasion. It does not refrain from resorting to all methods, using all evil and contemptible ways to achieve its end. It relies greatly in its infiltration and espionage operations on the secret organizations it gave rise to, such as the Freemasons, The Rotary and Lions clubs, and other sabotage groups. All these organizations, whether secret or open, work in the interest of Zionism and according to its instructions. They aim at undermining societies, destroying values, corrupting consciences, deteriorating character and annihilating Islam. It is behind the drug trade and alcoholism in all its kinds so as to facilitate its control and expansion.

Arab countries surrounding Israel are asked to open their borders before the fighters from among the Arab and Islamic nations so that they could consolidate their efforts with those of their Moslem brethren in Palestine.

As for the other Arab and Islamic countries, they are asked to facilitate the movement of the fighters from and to it, and this is the least thing they could do.

We should not forget to remind every Moslem that when the Jews conquered the Holy City in 1967, they stood on the threshold of the Aqsa Mosque and proclaimed that "Mohammed is dead, and his descendants are all women."

Israel, Judaism and Jews challenge Islam and the Moslem people. "May the cowards never sleep."
