

# Let's meet for coffee –

with

**Greater Philadelphia ZOA Executive Director**

**Steve Feldman**

Let's discuss the challenges facing Israel and the Jewish People and what ZOA is doing about them here in the Greater Philadelphia area. This includes our current initiatives and future plans.

No group in our region takes on the agenda that ZOA does. You can play a bigger and more meaningful role to help us accomplish even more.

Please call me to schedule a date and time to meet. Reach me at 610-660-9466.

This offer open only to fellow Zionists.

I look forward to hearing from you.
