

# “What You Never Knew About Jerusalem

# ... and Why It Matters”

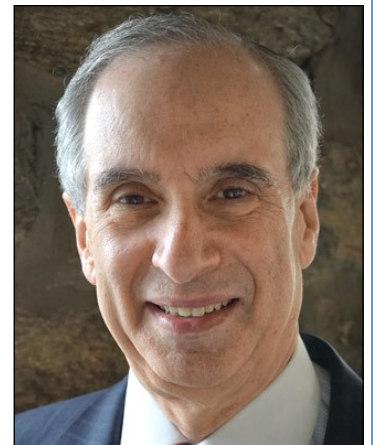

Rabbi Dr. Jonathan Rosenbaum, President Emeritus and Professor Emeritus of Jewish Studies at Gratz College, and Visiting Scholar at the University of Pennsylvania, will discuss important facts about Jerusalem including its history and centrality to the Jewish People.

As the status of Jerusalem continues to be the subject of speculation, it is vital that we have the tools to support the fact that it must remain Israel’s undivided capital.

The program is part of the quarterly meeting of the Greater Philadelphia Chapter of the Zionist Organization of America.

Come learn about Jerusalem, ZOA and the work that we do — and how you can participate and make a difference.

**Monday, February 4, at 7:30 p.m.,**

**at the Congregations of Shaare Shamayim, 9768 Verree Rd., Philadelphia**

This meeting is open to the public. Donations appreciated.
